M1430

The **M1430** from Toyo Tires is a tubeless, highway-rib, low-platform trailer tyre.

The M1430 features wide shoulder tread ribs and is manufactured from a wear-resistant tread compound for long tread life.

Features & Benefits

Wide tread shoulder ribs

Minimised tread shoulder wear

Wear resistant, long-link carbon black tread compound

Excellent wear resistance

Flat crown radius and wide tread profile

Even contact pressure for resistance to irregular wear

Cap / base tread compounding

Cooler running for optimum tread life

Suitability

- Most suitable
- Suitable
- Not recommended
