Open Country U/T

Next-Generation Highway-Terrain Tyre

It's time for a change

Toyo Tires enables you to move better; our Japanese roots gives you the latest in mobility both on and off the road. But that's just the beginning. What Toyo really does is empower you to move confidently to new and bigger things, to make a change for the better. Just ask those who have. You see, tyres are not just a part of your vehicle. We believe that what you put on the outside of your car, matters to those on the inside. This is why we make **tyres for drivers**, not cars.

Make your *move*.

TOYO TIRES®

Forget slippery highway-terrain tyres with the **Open Country U/T**, an urban-terrain tyre offering stable, car-like performance to drivers of 4WDs and commercial vehicles who demand maximum mileage without sacrificing safety or comfort. An evolution of the Open Country H/T, this sturdy sealed road tyre can carry heavy loads over long distances while considerably improving wet traction, fuel economy and comfort to provide peace of mind on behind the wheel, whatever the weather.

Key driver benefits

- Low noise
- Handling
- Fuel efficient
- Wet traction
- Comfort

Suitable fitment

- Toyota Prado
- Toyota Landcruiser 200
- Mitsubishi Pajero

Features & Benefits

Wear-resistant, silica-reinforced tread compound

Low rolling resistance, long tread life and high levels of traction on wet roads

'Multi Wave' sipes in tread shoulder blocks

Improved traction on low-grip surfaces with minimal tread flex to discourage irregular wear

Five variable-pitch pattern with optimized tread block arrangement

Splits resonance across 5 unique tread blocks for a quiet and comfortable ride sealed or unsealed roads

'Silent Wall' main circumferential grooves

Heavily reduces high-pitch tread noise on smooth road surfaces

Non-directional tread pattern with wide circumferential grooves

Low road noise with excellent aquaplaning resistance

Produced with Toyo's 'A.T.O.M' technology

Exceptional uniformity allows accurate wheel balancing, eliminating vibration

Related Product Comparison

In comparison to **Open Country U/T**

Proxes C100 Plus SUV

- ⬆ stronger dry traction
- ⬆ more wet weather grip road noise
- ⬇ faster wear rate

Open Country Q/T

- ⬆ less road noise
- Similar performance
- ⬆ slower wear rate

Open Country A/T II

- ⬆ stronger off-road traction
- ⬆ more puncture resistance
- ⬇ more road noise

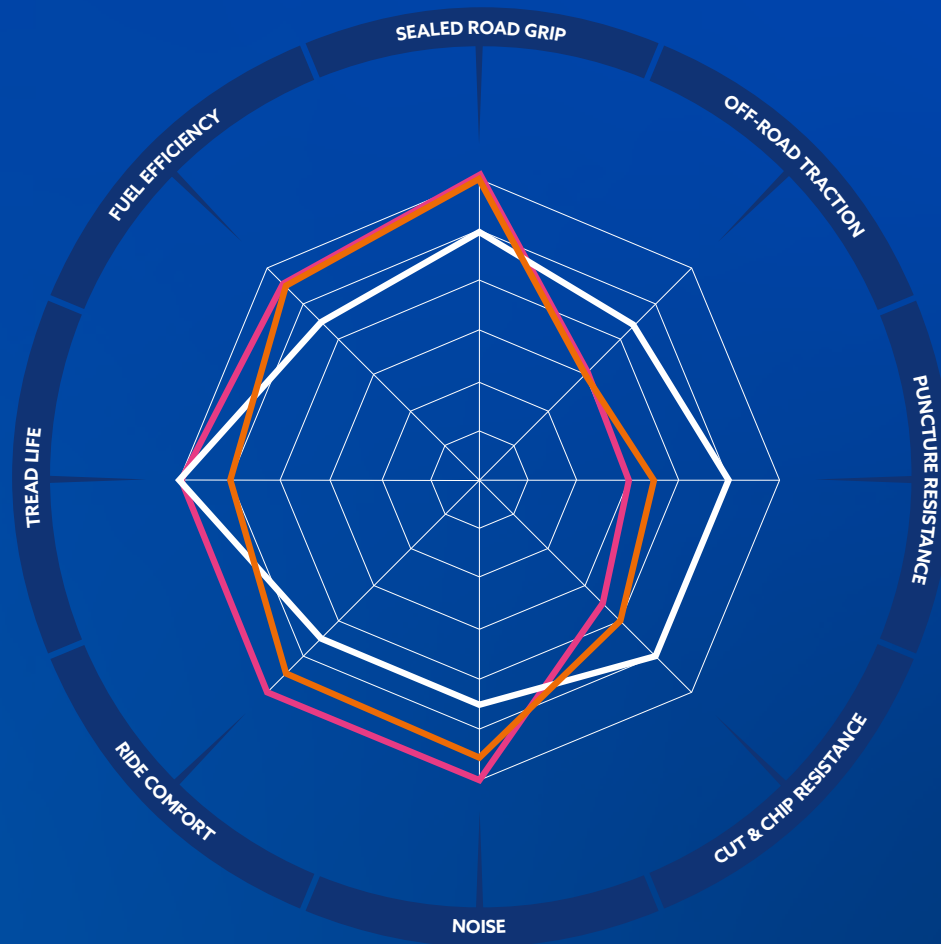

TOYO TIRES

OPEN COUNTRY U/T

"Great handling in wet and dry conditions with no road noise, I can't fault this tyre" – Peter (ABN Group)
